Welcome to my SIP program created just for you – the avid stamper!

## **Choose a FREE STAMP SET when you collect a full SIP card.**

You can enroll automatically enrolled in the program when you place your initial \$50 minimum order.

You mark one **X** on your SIP card each and every time you make a minimum \$50. purchase.

**‘PURCHASE’ refers to Stampin’ Up! product only.**

**It does not include retired product, class fees, tutorials etc.**

Shipping and tax is not included as part of your \$50. purchase.

Example:

If you are making a \$50. purchase you would mark one **X** on your SIP card. If you're making a \$100.

Purchase you would mark 2 **X**'s. If your product purchase is \$95. then you only qualify for 1 **X**.

If you're making a single purchase amounting to \$200 (remember that's before shipping & tax), then you'll also qualify to earn Stampin' Up! Hostess rewards in the amount of \$35 at the time of your purchase.

When you have accumulated 10 **X**'s on your SIP card then it's time to submit your card to me with your stamp set request. I will send the stamp set as soon as possible. Remember, you're responsible for shipping and tax.
